HAPPINESS IS 4-H

By Frank H. Sweet
Extension Agent

The 4-H Meats Identification and Evaluation Program has gotten underway again in Appomattox. The program involves the 4-H'ers learning to identify the wholesale and retail cuts of beef, pork, and lamb. 4-H'ers also learn to evaluate the various qualities by which meats are judged. Special workshops for 4-H'ers interested in the meats program are scheduled for Monday, March 27, and Wednesday, March 29, beginning at 3:30 p.m. at the Extension Office. All interested 4-H'ers are invited.

Over 75 4-H'ers have purchased bluebird houses this spring. Hopefully, most of these are now up and ready for bluebirds that are searching for suitable nesting areas. The bluebird houses fit real well with the 4-H Wildlife or Woodworking projects.

The East Central District 4-H Contest for Senior Members will be held Saturday, April 15, at ACHS. The program will begin at 9:30 a.m. and conclude shortly after lunch. This would be an excellent opportunity to see some demonstrations and illustrated talks that will be presented by teenagers representing a 19-county area. Visitors would be welcome to come and watch. Contest headquarters will be in the auditorium lobby.

4-H Camp time will soon be on the mind of many young members. Each year, many organizations provide full or partial scholarships for 4-H members to attend camp. In some cases, these scholarships provide the only means for many 4-H'ers to participate in the enjoyable educational program at 4-H Camp. If your club or group is interested in providing a partial or full 4-H Camp scholarship, please let us know.

Transportation to camp will be by school bus. At camp there are girls and boys dormitories, a mess hall, swimming pool, a beach, and a recreation center consisting of ping pong, shuffle board and other sports equipment.

Some other sports at camp are soft ball, basketball, horse shoes, badminton, swimming and volley ball.
